Satellite Technology Investment vs. 3rd Party Fiber Access

Fixed Satellite Broadcast Technology vs. 3rd Party Fiber Access Expense

Direct Satellite Feed Investment

- Invest in fixed satellite technology
- Finance capital vs. recurring expenses
- Eliminate recurring per subscriber video transport Fees
- Reduce your 3rd party dependency
- Improve and control your video quality
- Invest in system ownership

Recurring Fiber Access Cost

- Recurring fiber access expense
- Long term fiber access contracts
- Continue per subscriber transport fees
- Dependant on 3rd party roadmap
- Restricted video quality control
- Future investment uncertainty
- Video content dependency
