

Multiple Dwelling Unit

C-SERIES BOX/BOX HIGH-SECURITY ENCLOSURES

High security enclosure to protect and secure coaxial, fiber cable and connections in multiple dwelling applications such as apartments, hotels and other high-density subscriber environments. Lock panel color coded marked for easy key identification. Housing can be replaced without disturbing wall-mounted back-plate, conduit and connections. Ideal for use in areas where connection security and theft are a concern.

FEATURES

- High-security design to prevent theft
- “Box in a box” construction minimizes pry-points
- Most have industry standard DX key series, others available upon request
- Lock panel color coded to key, makes key identification easy
Red=DX-23, Gray=DX8, White=DX-9, Follows electrical color code standard
- Housing can be replaced if damaged without disturbing back-plate, connections or conduit
- Star-plate can be adjusted to allow best use of internal space
- Many sizes available, from 12”x12” to 24”x18”, Depths 8” and 10”
- UV protected powder-coat finish, electro-static applied.

Standard Models*

Myers Model #	Description
CTEM-C121208G*	Enclosure, MDU-C, Box/Box, Steel, Gray, Small, 12x12x8, DX-* Lock
CTEM-C151808G*	Enclosure, MDU-C, Box/Box, Steel, Gray, Medium, 15x18x8, DX-* Lock
CTEM-C182408G*	Enclosure, MDU-C, Box/Box, Steel, Gray, Large, 18x24x8, DX-* Lock
CTEM-C121210G*	Enclosure, MDU-C, Box/Box, Steel, Gray, Small, 12x12x10, DX-* Lock
CTEM-C151810G*	Enclosure, MDU-C, Box/Box, Steel, Gray, Medium, 15x18x10, DX-* Lock
CTEM-C182410G*	Enclosure, MDU-C, Box/Box, Steel, Gray, Large, 18x24x10, DX-* Lock

*Note: Other sizes, finishes and/or locksets available upon request.

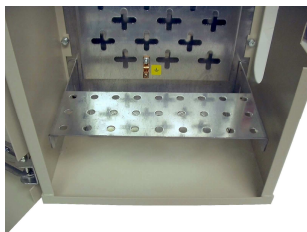

Basic Characteristics**

Myers Model #	Dimensions (WxHxD) Inches		Weight Lbs.	Material
	Internal	External		
CTEM-C121208G*	11.75x12x8	13.5x12.5x8.25	25	Galv-Steel
CTEM-C151808G*	14.75x18x8	16.5x18.5x8.25	33	Galv-Steel
CTEM-C182408G*	17.75x24x8	19.5x24.5x8.25	38	Galv-Steel
CTEM-C121210G*	11.75x12x10	13.5x12.5x10.25	27	Galv-Steel
CTEM-C151810G*	14.75x18x10	16.5x18.5x10.25	35	Galv-Steel
CTEM-C182418G*	17.75x24x10	19.5x24.5x10.25	41	Galv-Steel

**Note: Specifications subject to change.

Construction**

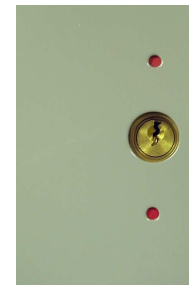

Cabinet Construction	Consists of all painted items: Galv. steel 16 gauge, 0.063 " thick
Internal Components	Includes backplate, starplate: Galv. steel 14 gauge, 0.075" thick
